The background of the page is a collage. It features a large, dark, abstract shape in the upper left corner. Below this, there's a red-tinted photograph of a person's back and shoulder, looking towards the left. The right side of the page is framed by a large rectangle with diagonal hatching. The title 'TABLE OF CONTENTS' is centered in a white box within this hatched area.

We of the atomic age salute a man whose brilliant career in American government has brought honor to his state, to the West, and to his country. We are proud to dedicate our first annual—the **Statesman**—to Senator Carl Hayden. Even before this territory became a state, he was a respected symbol for Arizona. Soon our generation shall rise to strengthen and protect the ideals of democracy as adult American citizens. Although our tools and methods will be those of the future, Carl Hayden's distinguished career as a statesman will serve as a working model.

Mr. King, Science Department, is only one of the many teachers who takes time to give extra help to students after class.

Teaching is a full-time job. It goes on after the last bell rings, many times into night with grading papers, preparing lectures, giving extra help after school, reading of assignments, preparing exams, and making out report cards. A teacher is many things; instructor, psychologist, secretary, lecturer, counselor, diplomat, and traffic cop—one could go on indefinitely. We, the students, extend a very sincere "thank you" to our excellent staff of teachers for their understanding, help, time, and effort on our behalf.

Mr. Bailey, English Department, busily gives individual instruction to a student.

Mr. Loewus, English Department, grabs a quick bite while grading papers during the lunch hour.

Mr. Bullard of the Business Department prepares work for the next day.

Front row from left: Edna Baker, Dee La Roux, Jean Hutkins, Lois Monson. Second row: Ruby Payne, Martha Anderson, Mary Louise Day, Pat Fraser, and Pauline Fancis.

Secretaries

From 7 to 6 o'clock, several women are hard at work in the offices of Carl Hayden High. These women are the secretaries who keep our school running smoothly. Filing, typing, scheduling, telephoning, keeping statistical files on each and every Falcon, entering new students, taking attendance every day and even supervising are just a few of their varied duties. We could not function without them.

Maintenance

First impressions of a school come from the appearance of its buildings and grounds. Our maintenance personnel are responsible for the fine job done in keeping clean one of the most modern and best-looking campuses in Phoenix. Because of the efficiency of this staff, we are welcomed each morning by neat and orderly classrooms. Doing a capable and efficient job as head of the maintenance department is Mr. Eddie Poole.

Cafeteria Personnel

We most appreciate our cafeteria personnel at lunch, when we can satisfy our appetites with the large variety of food prepared for us. Not only do these people supply us with good food at lunch; but they have hot chocolate and doughnuts ready on the colder mornings and a stand where we can buy afternoon snacks.

The Falcon Board meets daily to hear cases involving violations of rules and regulations established by the Student Council. In every case a student is entitled to a fair decision by the board. The board is composed of the student body president, and a boy and a girl from the three upper classes.

The chairman of the morning session of the board is Silvestre Herrera; Mike Tang heads the afternoon session. This group is ably sponsored by Mr. Gannon and Mr. Lang. These students have played a valuable role in the maintenance of an orderly and systematic student-body government.

There are several things our student body officers have in common—Among them a ready smile, a busy schedule, and a job of tremendous responsibility. Silvestre Herrera, Mike Tang, Eunice Connor, Judy Edwards naturally have specific duties to perform peculiar to their respective offices, and they have done these well. Yet the most important responsibility of an officer is rarely defined or stated in any constitution; this is leadership. Our Student government has been successful largely because of the initiative, energy, and leadership qualities of our four student body officers.

The first senior class project was the highly successful Gridiron Bounce on October 3, 1958. Following was the Senior Talent Assembly, November 17, with singers, dancers, comedians and other talented students from all the classes performing. The high point of the assembly was the hilarious skit of a girl's first kiss by the emcees, Beverly Henry and Ernie Duran.

Carl Hayden's seniors were pleased with the invitations they received to visit various colleges and universities on Senior Day. Arizona State University and the University of Arizona held their Senior Days in October. Arizona State College invited the seniors in February, while Phoenix College invited them in May. Also in May, Senior classes were dismissed for "Ditch Day", and all enjoyed a day of frolic and fun.

On April 24, our Seniors were guests of the Junior class at the Junior-Senior Prom. During an Honor Assembly in May, scholarships and awards were given to happy seniors who had worked hard to receive them.

The June 4, 1959, graduation climaxed four years of high school for Hayden seniors, the first graduating class in Carl Hayden's history. An all-night party was the last time the Class of 1959 was together.

A number of underclassmen gathered on Carl Hayden's campus in the fall of 1957, and in one short year became the Juniors of today. The individual differences quickly merged into group spirit as all began to strive toward the goal of making Carl Hayden rank among the best. Fund-raising projects for this year have included: operating a plastic laminating machine, sponsoring a sports dance, and class ring sales. Students, sponsors, and committees of every kind worked hard to make the climax of the year's activities — the Junior-Senior Prom — an outstanding success and a fun-filled occasion.

The industrious and capable students of the Sophomore class will be the first four year graduates of Carl Hayden High School. These students have really hustled to make these four years a fun-filled and profitable experience.

Among the class's most successful projects were the Harvest Moon Dance, a Halloween dance, and the Bounce, sports dance. These activities were sparked and piloted by the Sophomore Class Council. If their enthusiasm continues, this class will certainly set new records in the logues of Carl Hayden High School.

This year 1000 energetic freshmen entered Carl Hayden School. Thus began their four years of activity, new experience and piles of homework. Busy meeting expectations and setting new records, these freshmen have been a welcome addition to our campus. They began by electing their officers, establishing clubs, and taking an active interest in sports. The beginning is an indication that the class of '62 will meet the challenge of the future and continue to be a credit to Carl Hayden High School.

STUDENT ACTIVITIES

Student Activities are the center of social life on our campus. Our extracurricular activities have broadened our scope and enlivened our spirit. Clubs and organizations have built our social graces as class room activities have increased our knowledge. With the assistance of faculty sponsors our clubs have set standards to be proud of. Education lies not only in books but in shared experiences.

KEY CLUB

Department of Music

The Music Department is headed by Mr. Pat Curry who is assisted by Mr. Jerry Harris. The Music Department represents Carl Hayden in many music programs.

The A-Cappella Choir is composed of girls in advanced singing groups. The Choir performs at Christmas Concerts and Easter Programs.

The Band performs at football games, marches in parades and goes on tours in which it represents Carl Hayden. The band is the leading instrumental group of Carl Hayden.

The Dance Band is composed of advanced members of the Orchestra that are chosen by audition. "The Statesmen" perform at pep assemblies, school dances, and formals.

Within two years the Carl Hayden Orchestra has become one of the better orchestras in the Phoenix Union System. The Orchestra accompanies the Mixed Chorus.

A trip to Tucson was the climax of an active year for the Mixed Chorus. The Chorus performs for Christmas and Easter Concerts both on and off campus.

Some of the members of the Band and Orchestra attended All State.

The Music Department is doing a good job representing Carl Hayden throughout the state.

Student Council

Vitally concerned in finding the solutions to our many school problems is the student council which composes the legislative division of our student body government. Elected by their homerooms, they are a representative group for their classmates. Among their many projects this year were the preparation of Christmas baskets and 200 pounds of clothing at Thanksgiving for needy families, sponsoring of several assemblies, sending of delegates to Arizona conventions, and chartering of Hayden clubs. The Student Council has increased the school spirit by selling pennants and beanies. Also, the Council has sponsored several dances and lent their hand in campaigns against polio and other diseases. The work and spirit of the 1958-59 session delegates of the Student Council is certainly to be commended.

"The voice of the school"—that's what the school newspaper staff likes to think of itself.

The living, breathing embodiment of that voice consists of a handful of energetic, inquisitive, happy-go-lucky—and wordy—students who combine their various talents before, during, and after school hours to bring Falconville its newspaper. They meet in Room 303 to find assignments and compare notes, but they write wherever they find themselves. That includes school busses, bedrooms, cafeteria, library, and even forbidden moments in language or history classrooms!

Every three weeks the staff gets assignments from the News Editor, then sets off to track down the necessary information. Facts must be ferreted out and authorities must be interviewed before the reporters can even begin to write; but with some thought on arrangement and some clever style, the story is ready for the editors' copy reading and a trip to the printers.

In the next few steps the printed stories are proofread by the staff—often "farmed out" to the journalism and publications classes too—before the editors can arrange the finished printed articles on four different pages. In the meantime the business and advertising staff has obtained and laid out enough ads to financially support the paper. Another day or so and the publications class is distributing the papers throughout the campus.

But as John and Mary Student settle down to read 'the latest,' the newspaper staff is again glancing over the assignment sheet, ready to repeat the whole process, ready to be the "voice of the school"—because they like it!

Members of the Parent-Teachers Association listen attentively to members of a discussion group from the Family Living Series.

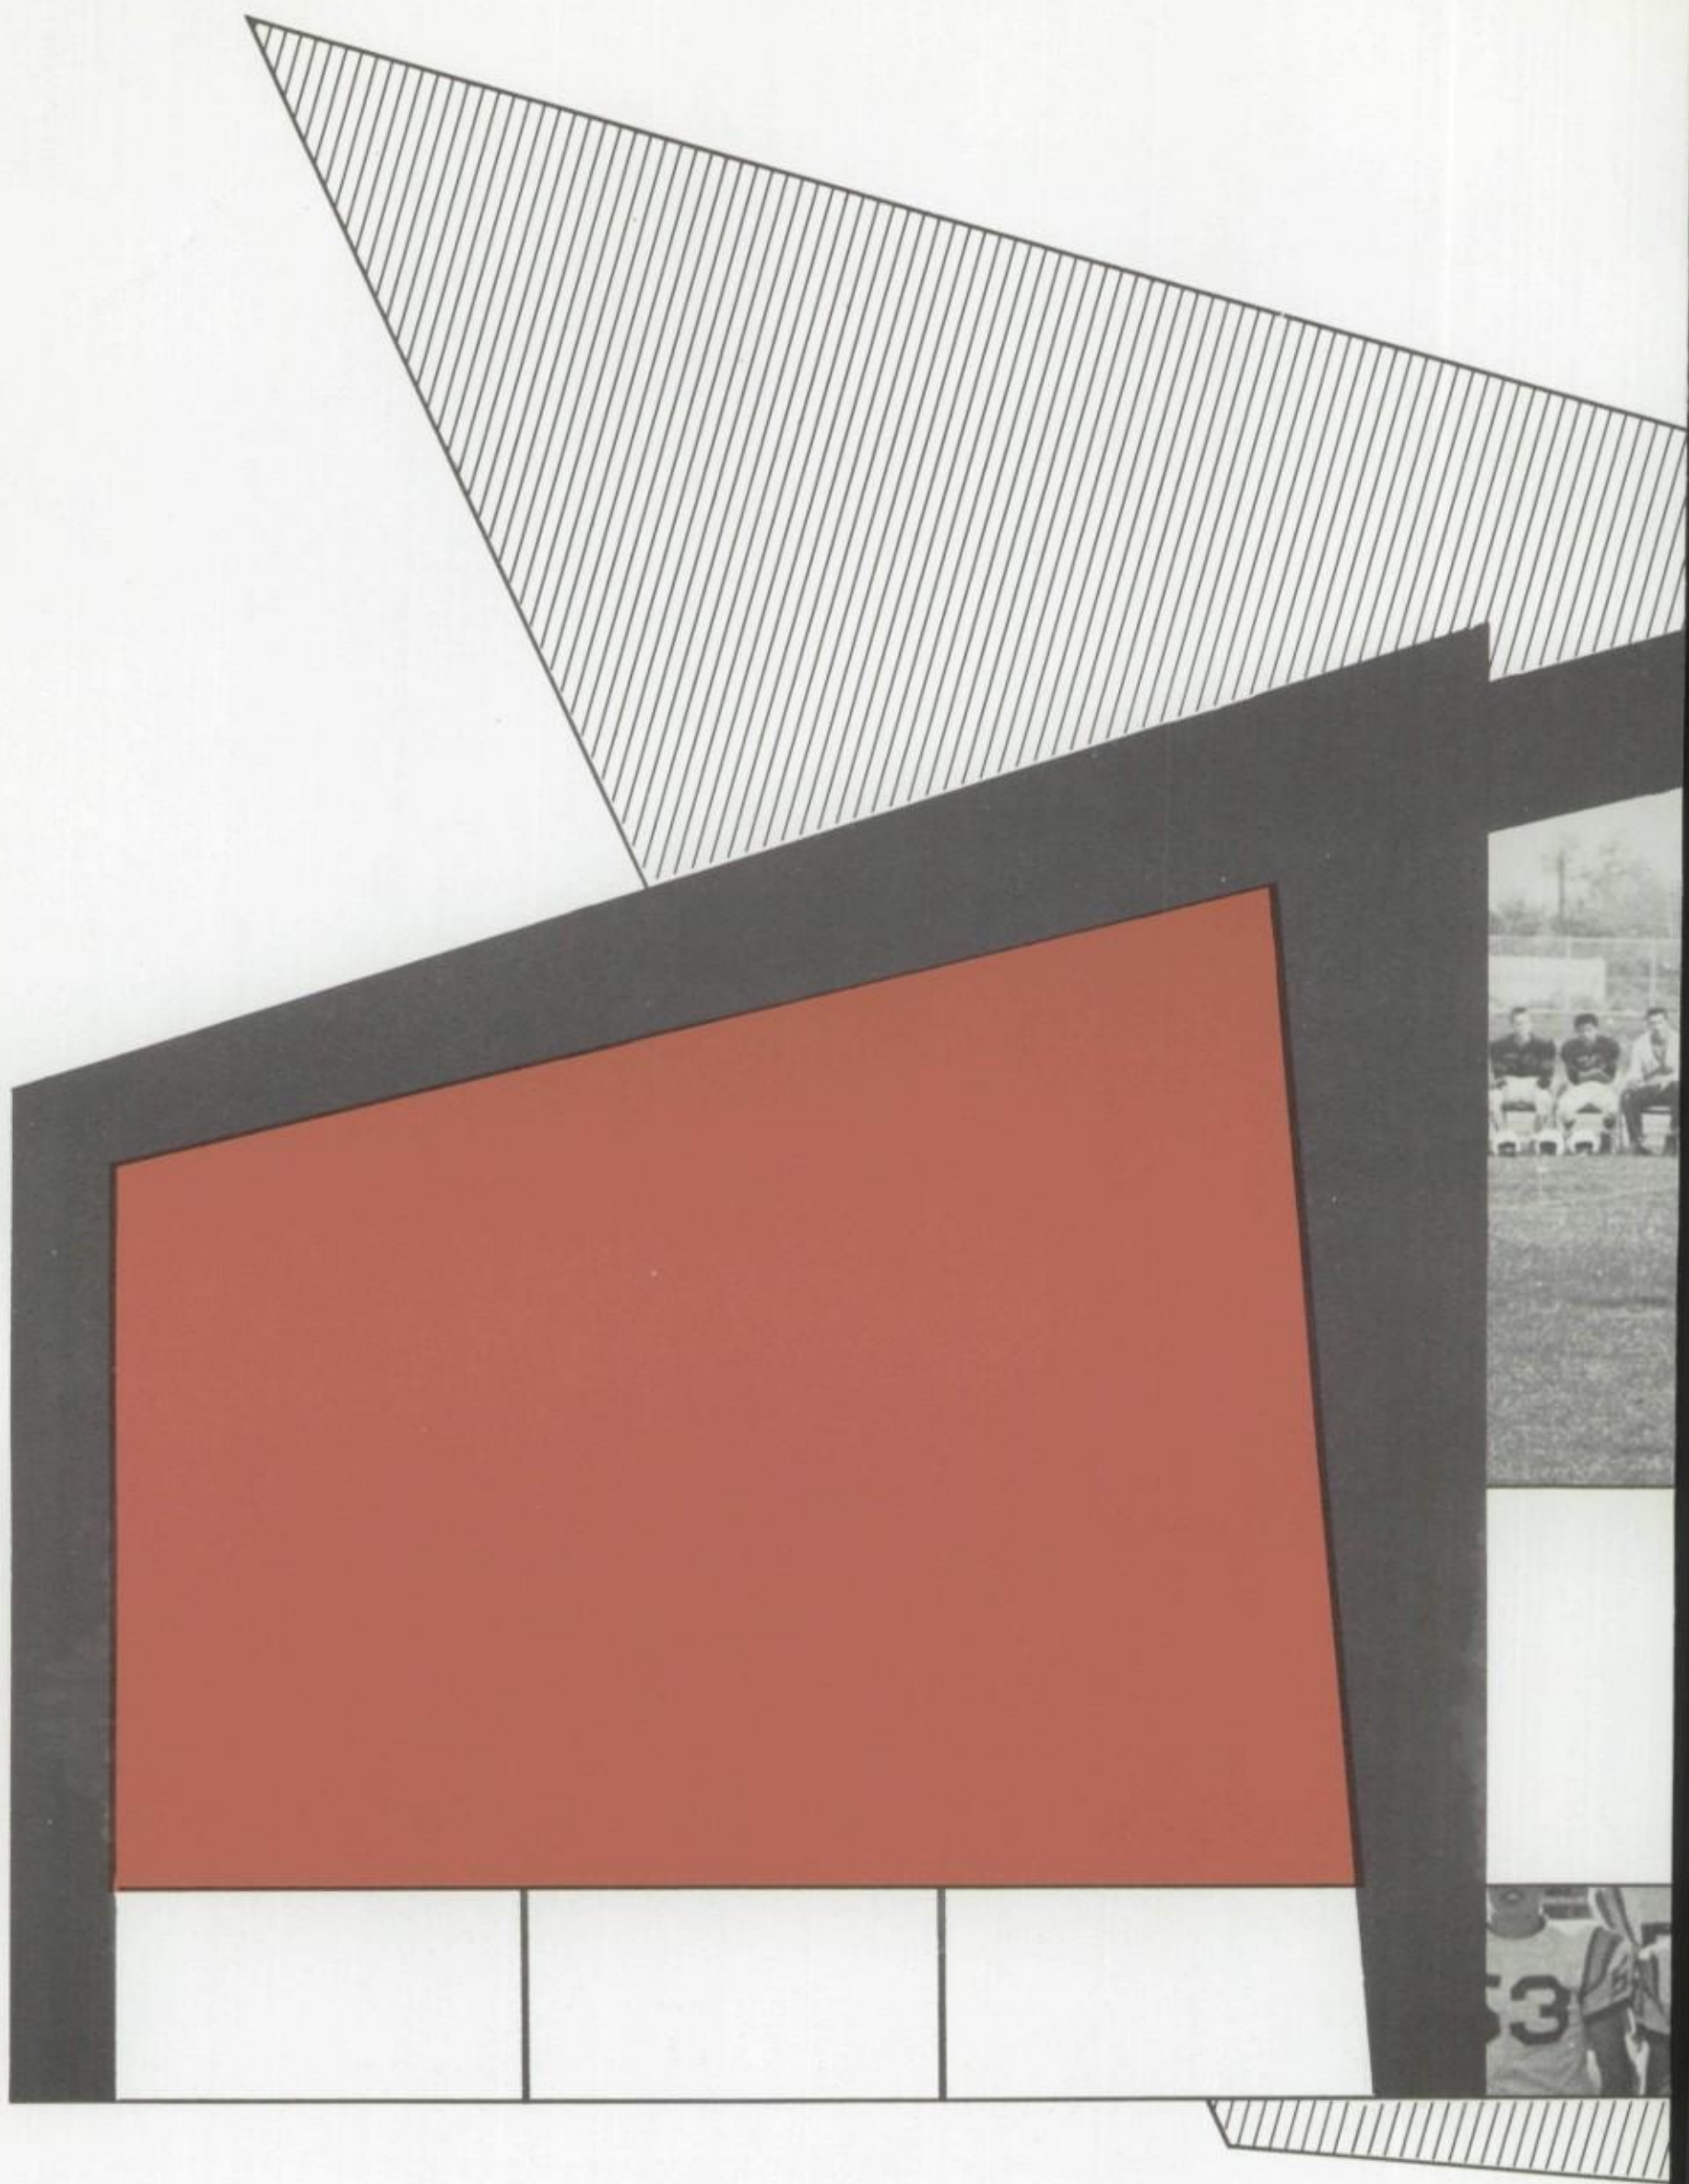

One of the most valuable projects of the Carl Hayden P. T. A. was the Family Living Series, which was a series of discussions in which students and parents tried to discover some of the causes of conflict within the family. Participating in the program were, top photo: Theresa Navarro, Elizabeth Overton, Caroline Christman, and Mrs. Francis Arnold.

This is a scene from the Halloween dance held in our gym which was sponsored by the P. T. A. this year. Both students and adults attended this dance.

Members of the discussion group of the Family Living Series expound their views on the subject, "Teenagers and Criticism." Undoubtedly these discussion groups helped many a student parent to solve a problem which had been troubling them at home.

SPORTS

You walk past the huge shell-like gym, and you remember all the exciting things that have happened there.

When tryouts are announced for the team, you wish you were like the other guys who were sure they'd make it.

You get a feeling of confidence during a rough spot in a game and you're hoping the coach will send you in.

You make a mistake in an important spot and you're so mad you feel like quitting, but you never do.

When your name is called at the awards banquet, you feel self-conscious as you walk down the isle.

But as you move your fingers over the soft CH, you feel you'd gladly do it all again.

Highlights of Carl Hayden's first football season as a member of the AA system was its 13-7 defeat of Central High to win the Eaton-Heller memorial trophy. This game in midseason showed them at their peak which was reached with hard practice under the skillful guidance of head coach Gail Hakes and assistant coach Vince Cisterna. The opening game was a dreary game for the Falcon fans as Washington squeaked out a 6-0 win. But the never-say-die varsity came back to win its next two: 18-0 over Phoenix Christian and 7-0 over Brophy. South Mountain and North, both AA powers, halted the birds 27-0 and 20-13. Then came the never-to-be-forgotten game with rival Central when the Falcons brought home the glory and the trophy. The last two were dreary games as the varsity lost 12-0 to Tempe and 21-13 to Scottsdale. From the season, Carl Hayden can boast one all-state second stringer in Joe Mike Roland.

Co-captains elect Joe Mike Roland and Tom Gibson.

Jerry Potts, Tom Martell, John Campbell, Harold Pennington, Ronnie Santa Cruz, Larry Pool, Dave Adams, Gene Kindred, Ronald Oehm, Ken Havermale, Ron Piazza, John Doak.

Carl Hayden's quintet, in its first year of class AA play broke all previous records from the preceding year. One of the most notable improvements was its 400 per cent win increase over the first year of play. The final record of 4 wins and 17 losses may be discouraging, but it also promises of good seasons to come.

Ronnie Santa Cruz broke the previous year's scoring record with a total of 220, a 10 point per game average. The Falcons first win came over Mesa in the first game of the year. Then came a long dry spell until Buckeye was beaten about midway in the season, and Scottsdale was beaten in the last week of the season. South Mountain lost by a forfeit.

Girls' Athletic Program

At Carl Hayden, the girls' athletic program consists of a vigorous schedule of many varied sports. The schedule includes softball, basketball, tennis, archery, shuffleboard, ping-pong, and other sports. The girls also have an excellent dance program, including square, ballroom, and modern dancing. Mrs. Packer is head of the Girls' P.E. Department; other teachers are Miss Alford, Mrs. Smith, and Mrs. Lipson, instructor of pompon girls and cheerleaders.

Initiation Activities

Two different shoes, clothes inside out, one side of hair pinned up, no make-up—only part of the ridiculous outfit G.A.A. initiates had to endure.

Next day, just to prove they were still "all there," G.A.A. initiates wore pretty clothes and high heels.

Whoops! What happened?

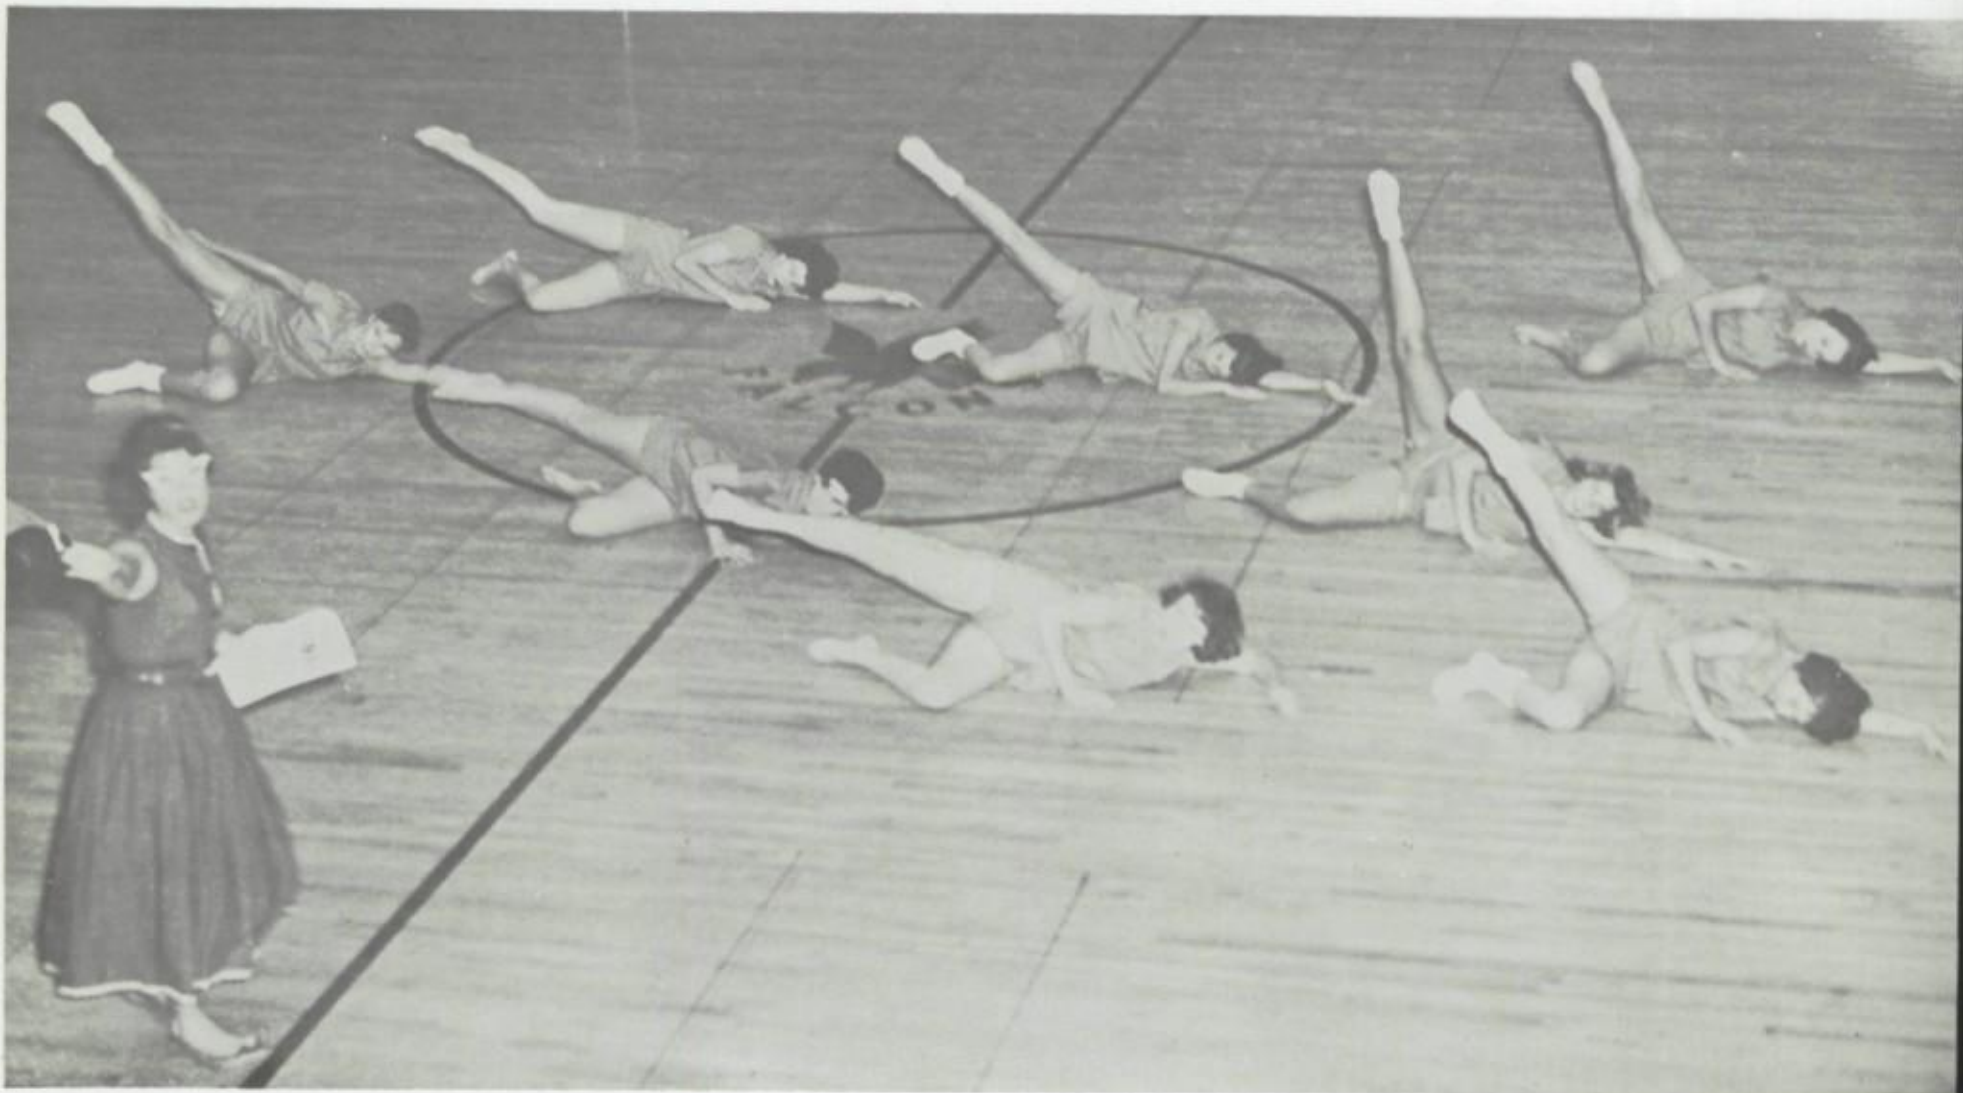

Pretty as a picture?

Girls' P. E. Classes

Precision, pep, and personality are the key words in the formation of an excellent pompon line. It takes many long hours of practice, for these girls have to be able to keep in step as well as look lively. Left to Right: Ernestine Hutchinson, Margaret Stierwelt, Barbara Rood, Kathy Hiller, Vicki Stockton, Joy Edwards, Janice Ayers, Linda Swan, Carolyn Stafford, Pat Haines, and Gloria Mendivil.

This has been a familiar sight at games—our pompon girls dancing in time to our fight song. With such pretty pompon girls the boys couldn't help but fight on! Left to right: Sandy Rutherford, Vickie Stockton, Phyllis Gunderson, Carolyn Stafford, Margaret Stierwelt, Barbara Rood, Kathy Hiller, Joy Edwards, Janice Ayers, and Linda Swan.

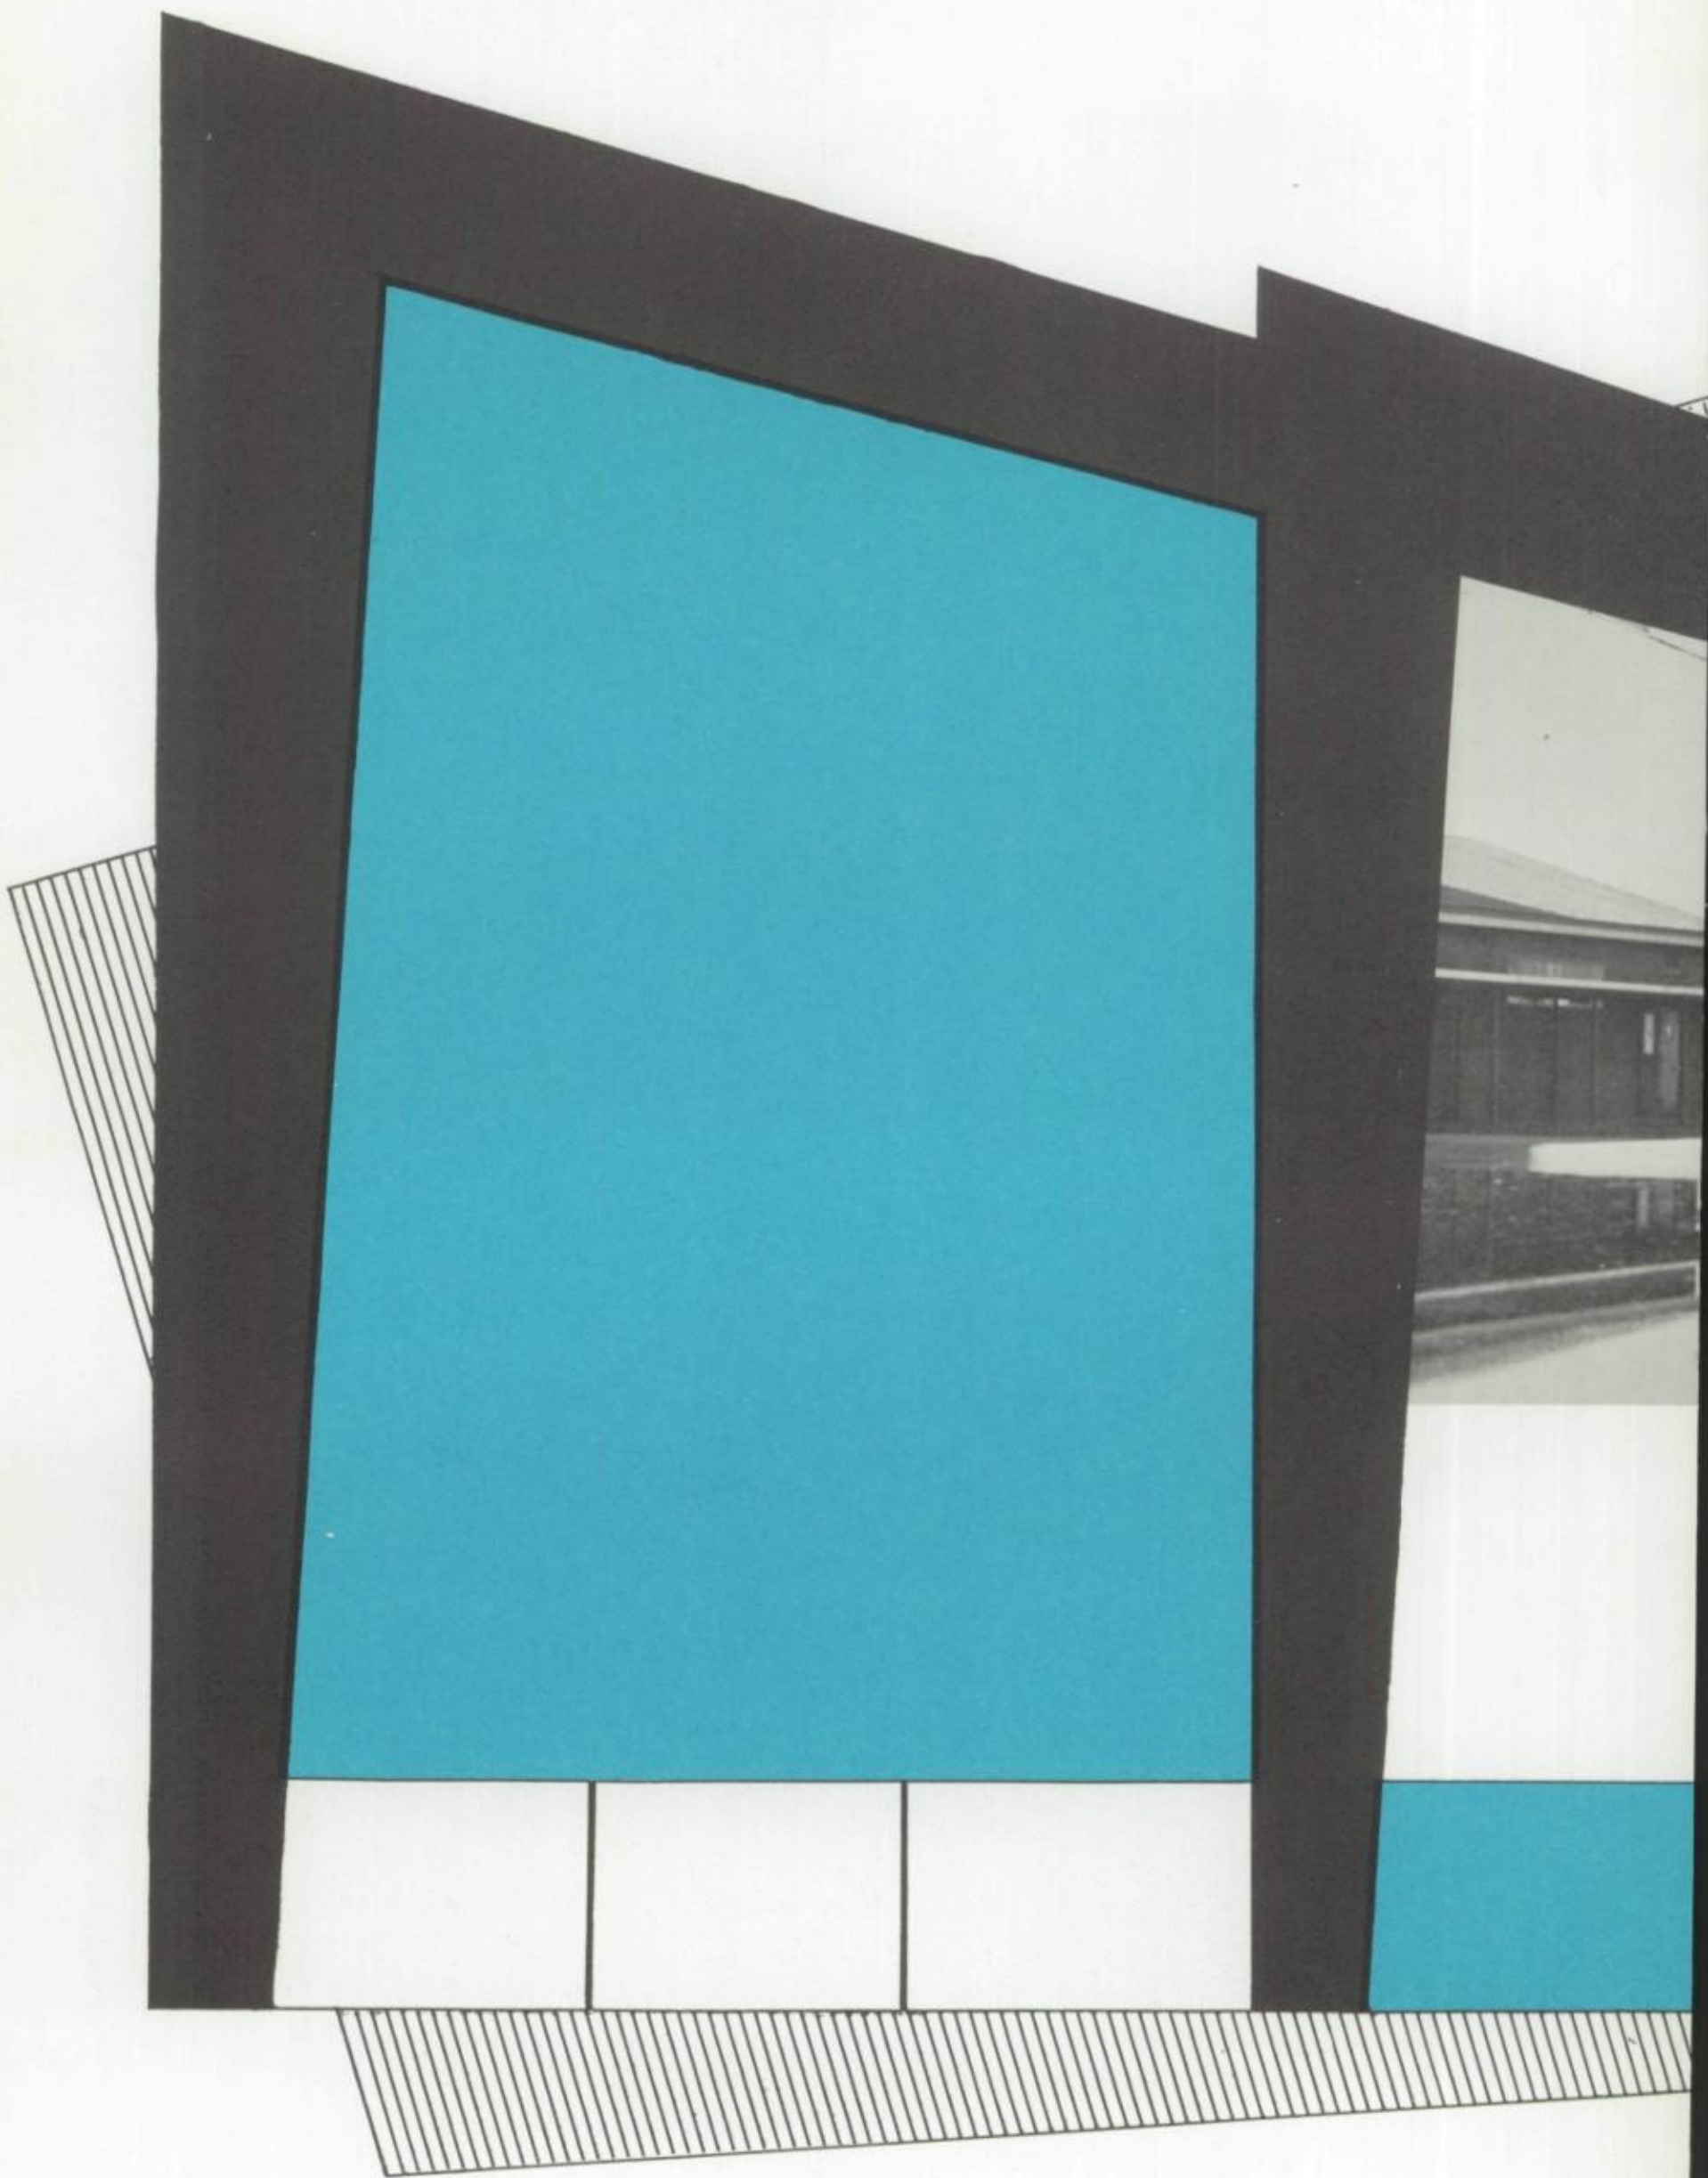

See the Gold,

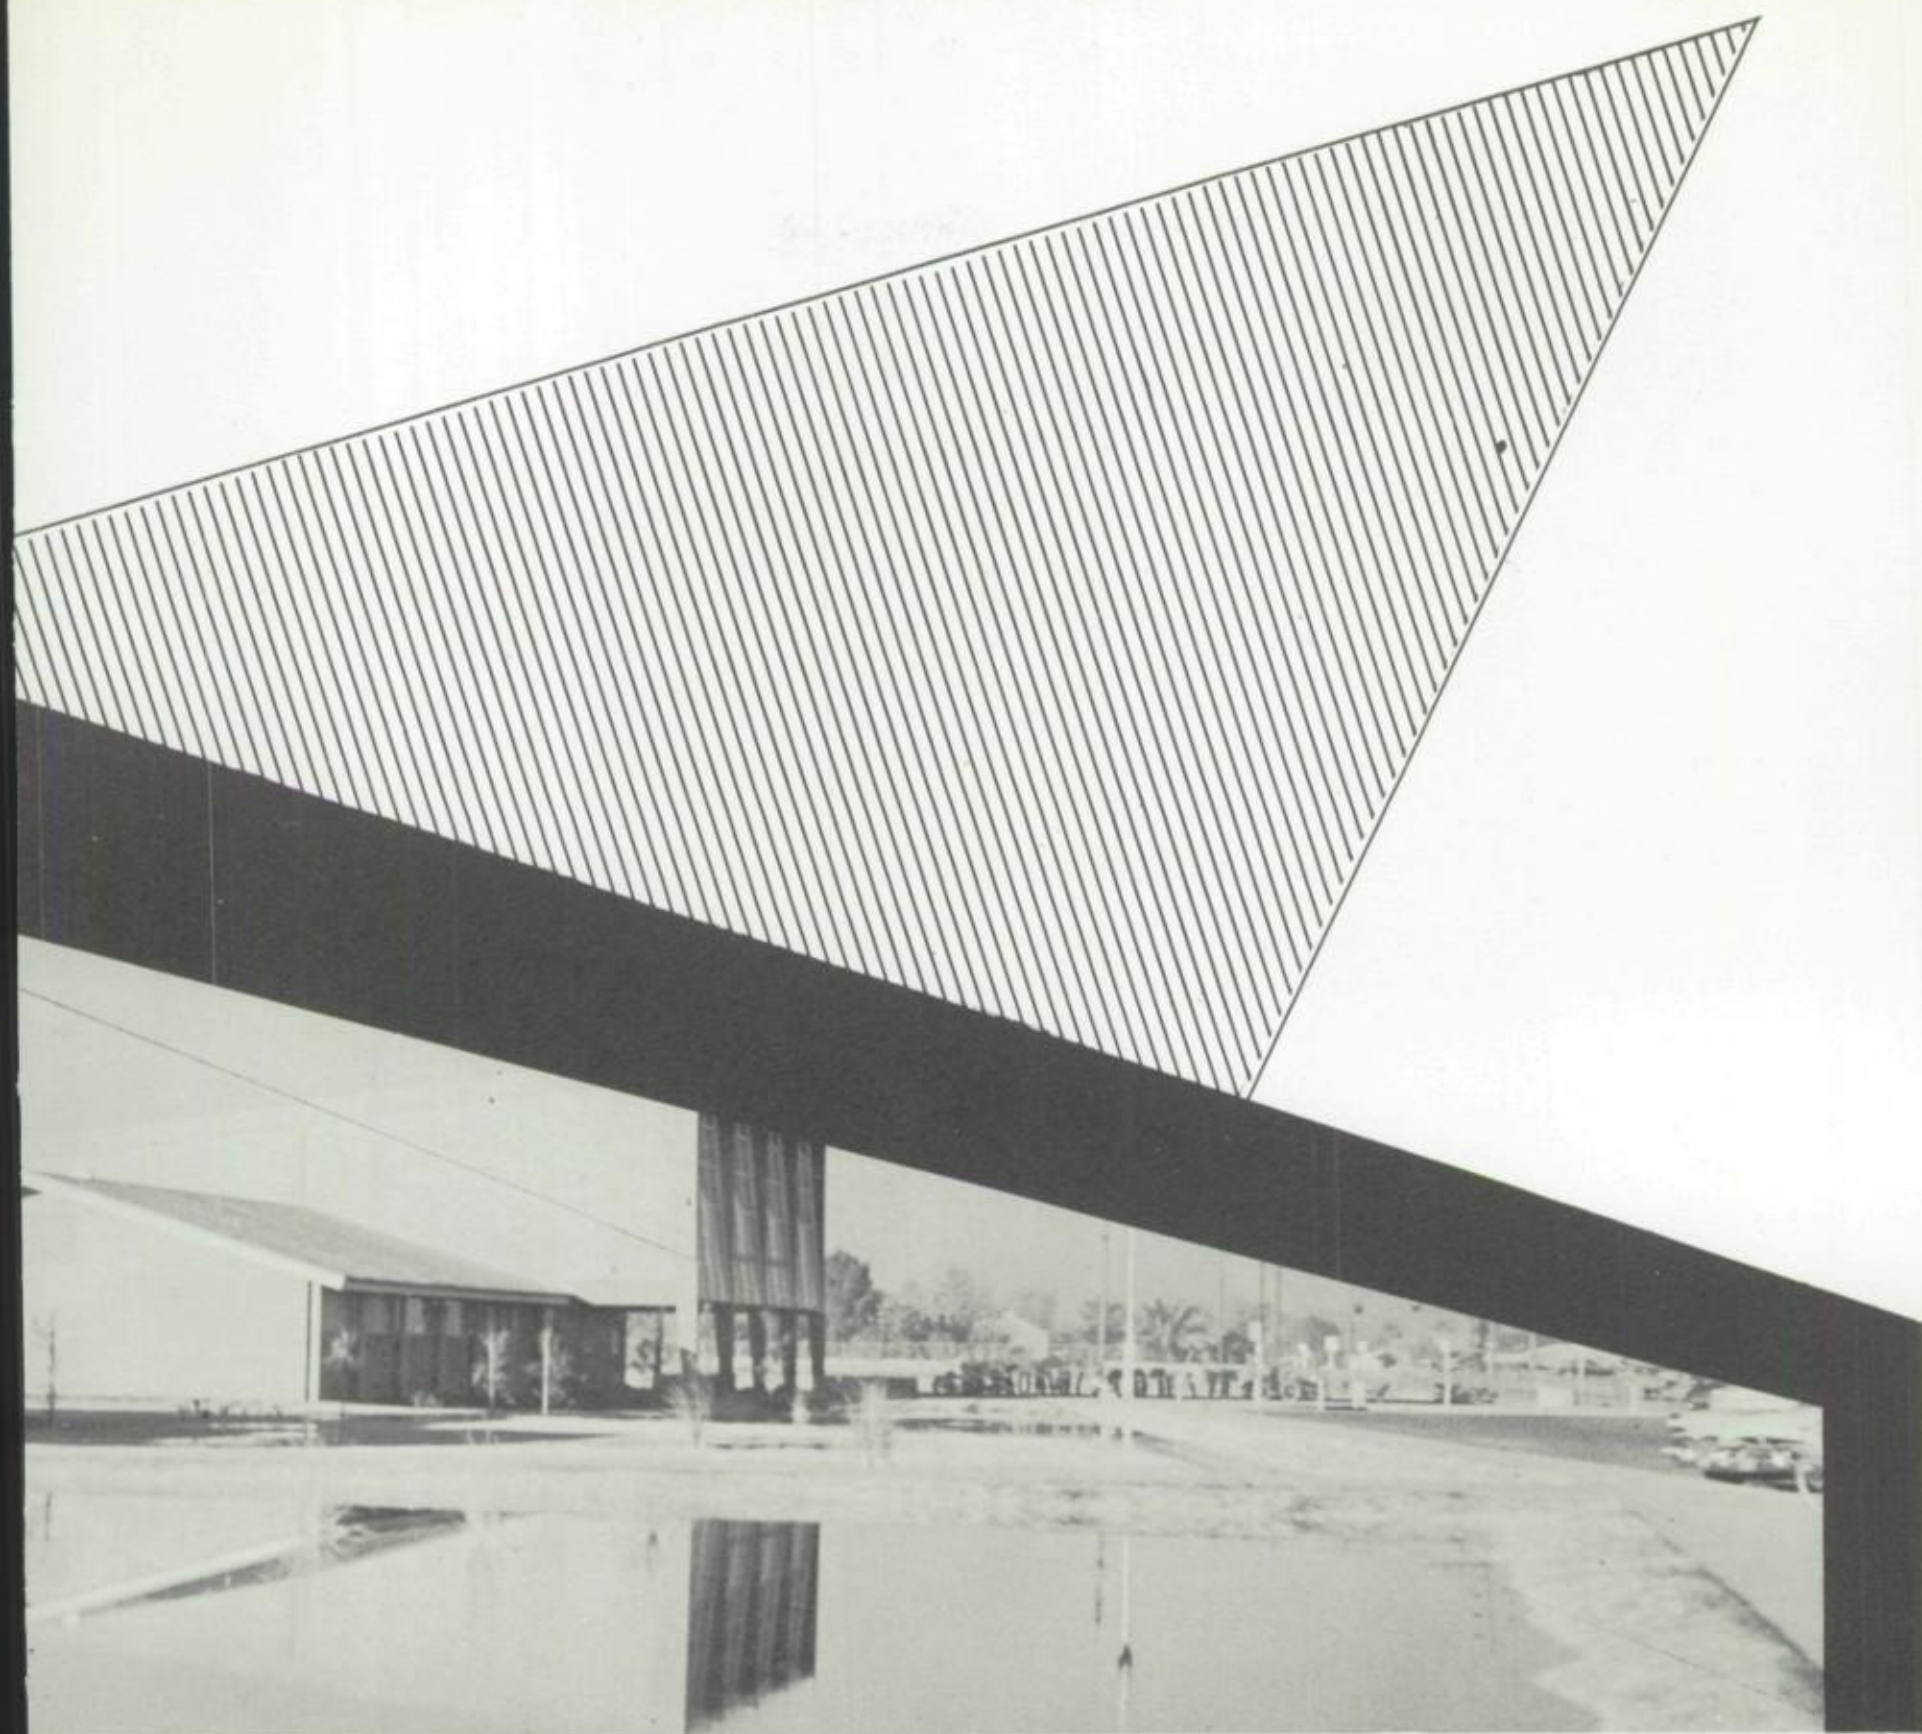

See the Blue,

See the Falcons coming through!

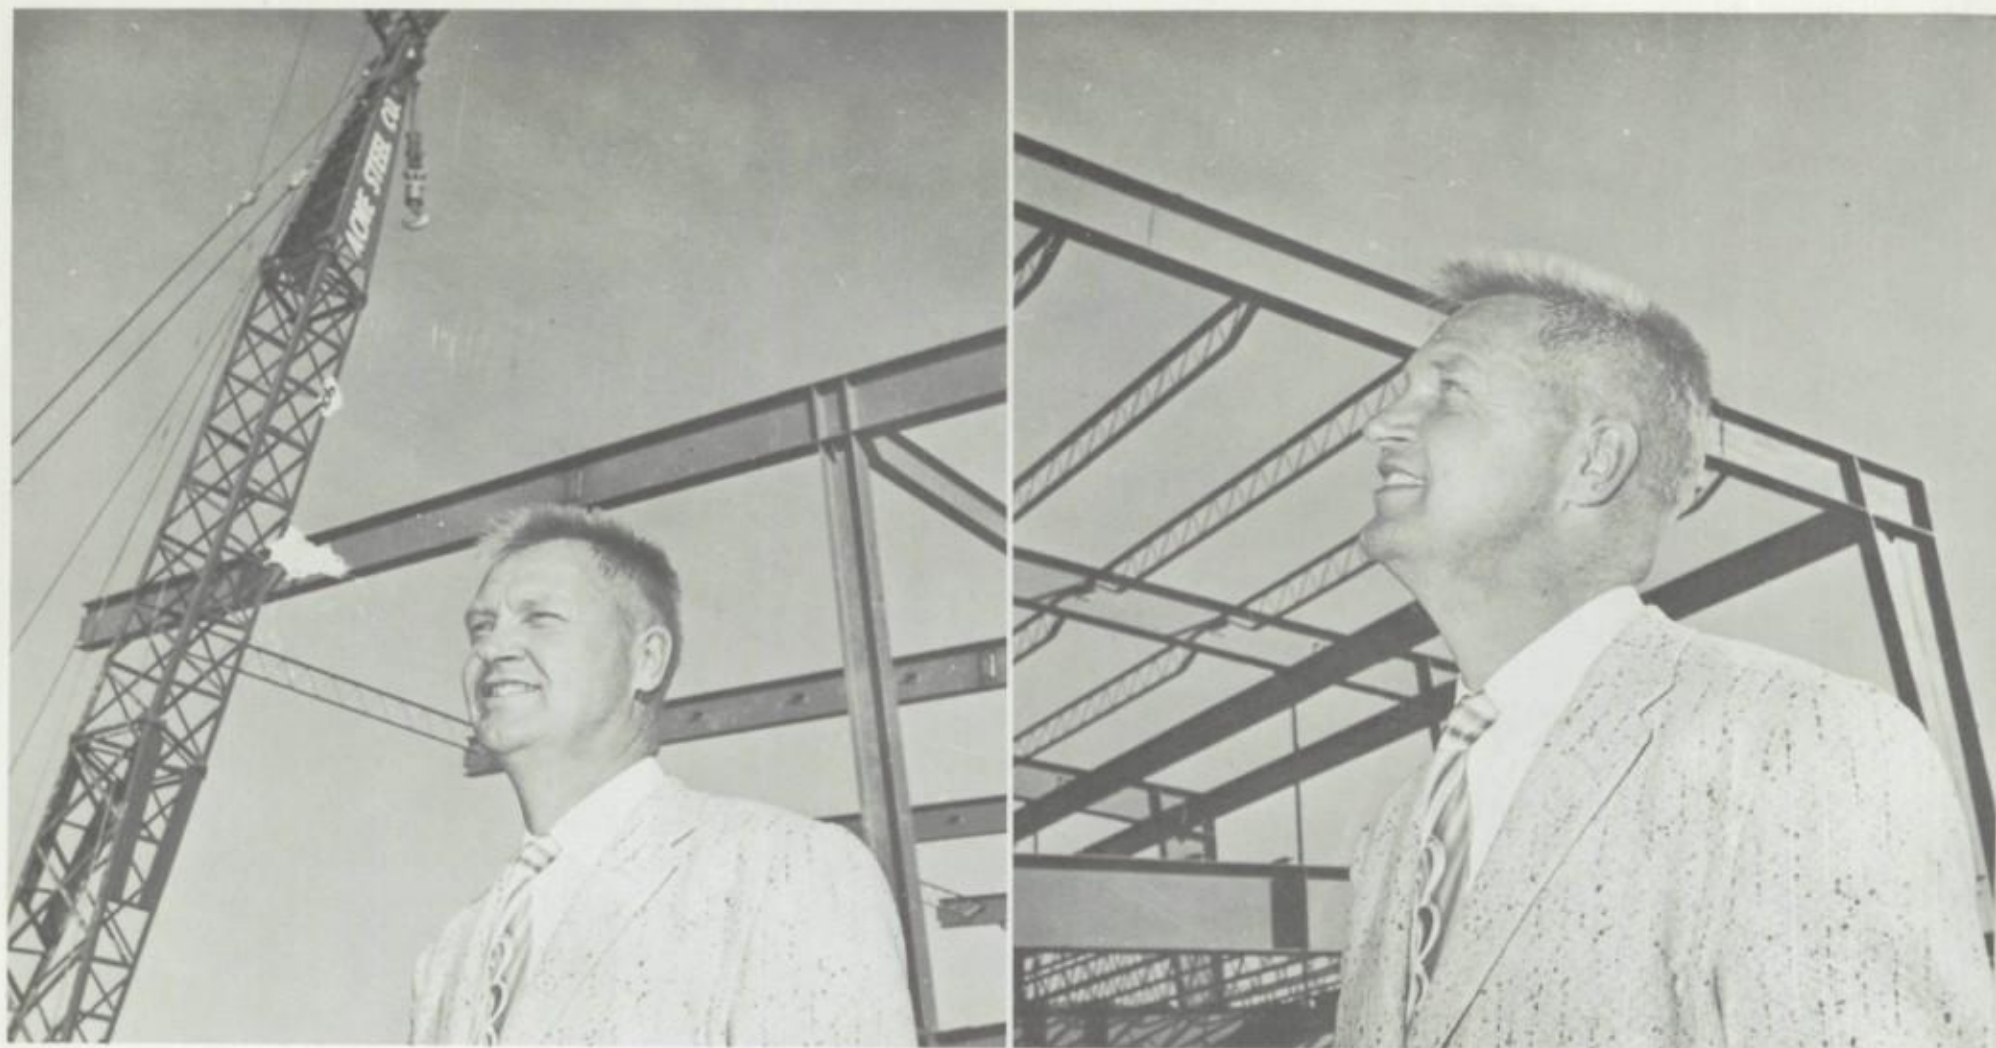

Spark, spunk, and a big smile are not only prerequisites but necessary requirements to be a Carl Hayden cheerleader. A football game without the contagious spirit and enthusiasm of these girls would be like a Van Gogh in black and white. From left to right: Ann Mitchell, Jerry Shields, Karen Arneson, Sherry Harrington, Joanne Burke, and Becky Emerson. Not pictured is Barbara Lapp, a recent addition to the cheerleading squad due to the transfer of Ann Mitchell.

MEMORIES

UP WE GO! As our principal, Mr. Hanhila, looks on, the steel girders that make up the framework for Carl Hayden's contemporary buildings are erected.

We were honored to have Senator Carl Hayden give the address for the dedication of the school which bears his name. We are proud to know that Mr. Hayden will always be remembered because of our school as well as by his many other achievements.

The framing of our constitution was a time-consuming task, which was finally accomplished through the efforts of these writers and the sponsors, and through the work done at the constitutional convention. Carl Hayden was then officially ready to operate its student government.

With the framing of the constitution finished, these students were elected as the first student body officers of Carl Hayden. They are, left to right, Row 1: Pat Merchant, Linda Saboe, Mickey Trigiano, Sandy Rutherford, Secretary. Row 2: Mike Tang, Vice President, Silvestre Herrera, President, John Campbell, Mike Ransom, and Crane Teng.

We were privileged to welcome some of the students from Tucson High School, who presented an assembly which ranged from jazz to the classics. Pictured is the Tucson High dance band, the Hi-Cats.

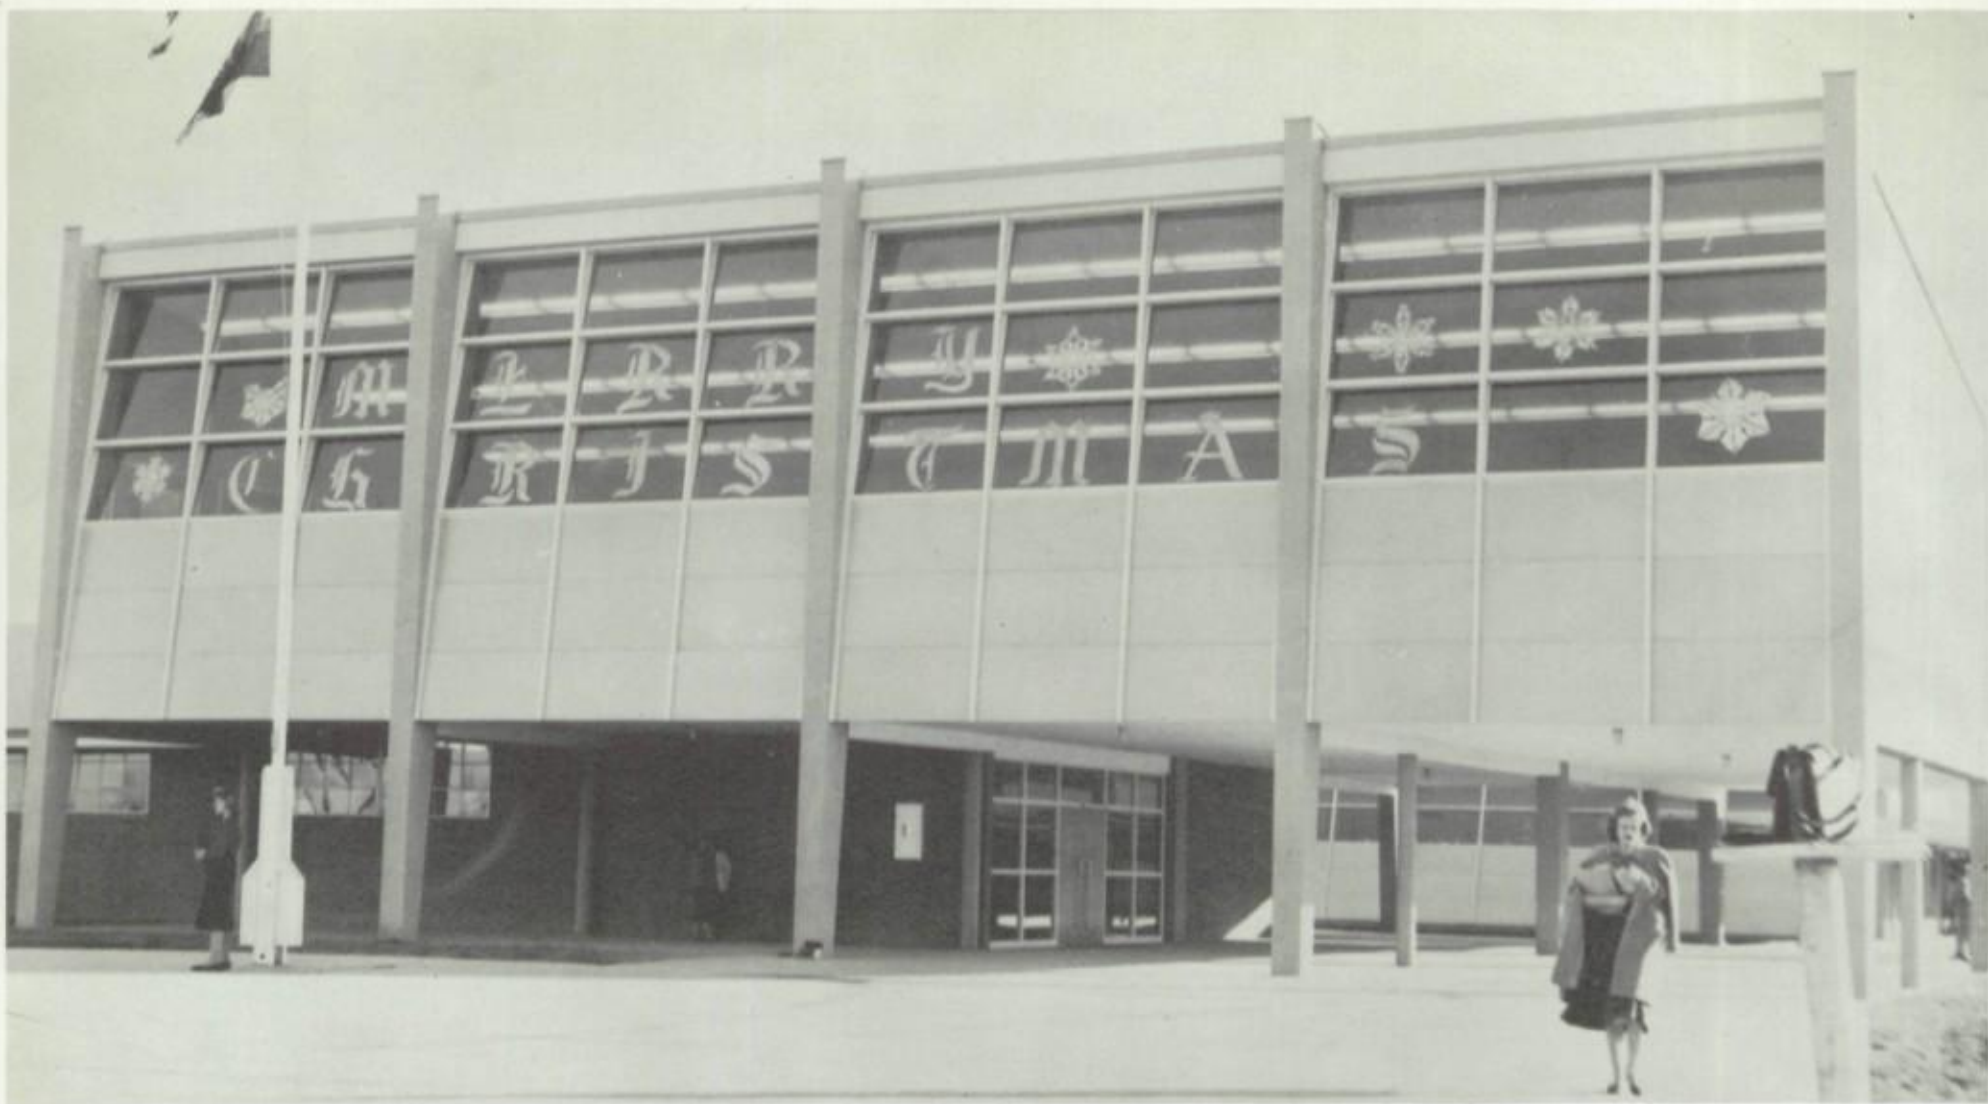

Talent from the various Phoenix schools was displayed when Y. E. S. presented its annual Talent Assembly. Here Wayne and Jerry Newton entertain with their rocking song renditions.

"Swing your partner to the rock and roll beat!" is a phrase that could well describe the activities at the "Tumbleweed Trot." Dressed in western garb of every kind, the students enjoyed an evening of dancing and entertainment.

Whether we won or lost, the sports dances held after the football and basketball games were always enjoyable times. (Of course, the dances following our victories were slightly more successful.)

Although it never snows in Phoenix, we had the Christmas spirit just the same. The school library windows spelled out a Merry Christmas to all who passed by.

In a more serious mood, each person who attended was inspired by the Christmas concert. The air was filled with beautiful carols coming from such groups as the Girls' Double Sextet, pictured here.

"Down with the sack dress!" was the cry of these boys who wore the "real thing." Their protests were in vain, however, since the sack continued to be popular with the girls.

"Change-about is fair play." So say these boys as Carl Hayden observed its first Twirp Week. During this week, girls took over the boys' tasks of opening doors, carrying books, etc.

"Oh, goody! An operation!" say the on-lookers in the background. This scene was just one of many hilarious ones in the "Pampered Darling" presented by the Dramatics Department.

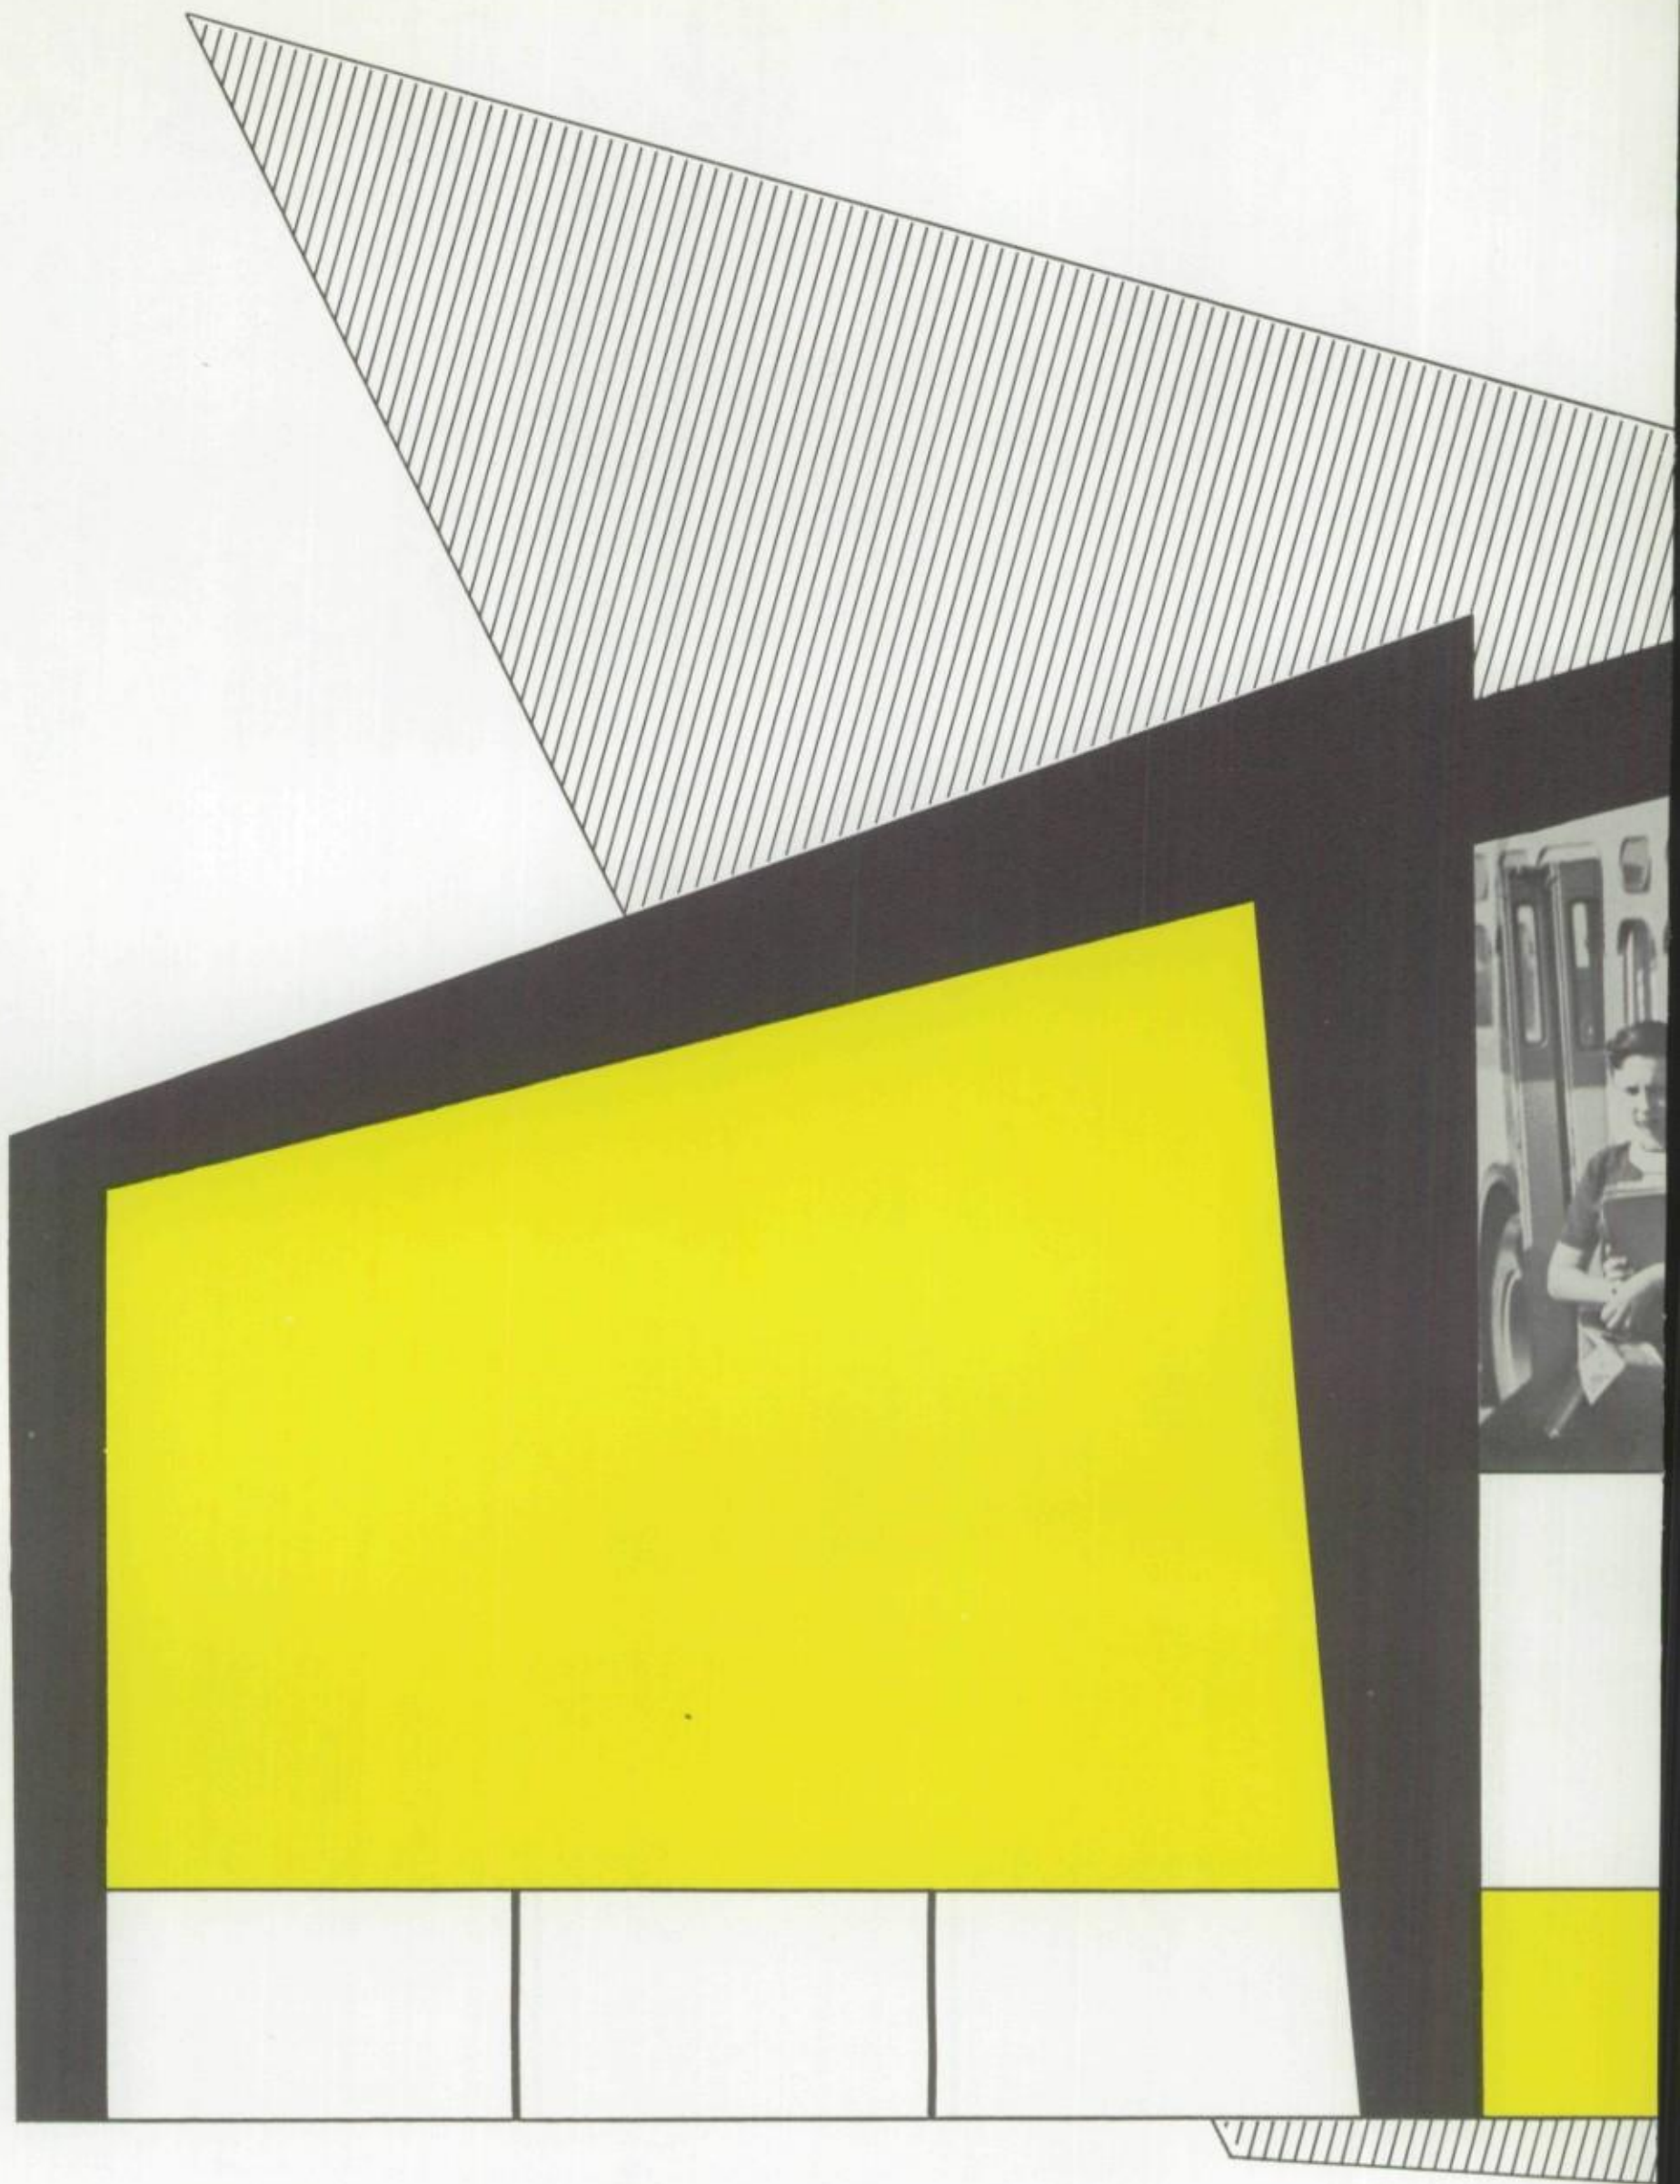

These students had a chance to learn how the government works by being a part of the Girls' State and Boys' State activities. They are above, left to right: Alice Mann, Angelica Cassell, and Anna Trigiano. Below, row 1: Silvestre Herrera, Bob Benck, Ed McCloud. Row 2: Ernie Duran, Tom Gibson.

HONORS

CAMPUS QUEEN - 1960

QUEEN'S ATTENDANTS

Chosen by secret ballot from twelve junior girls, the Campus Queen and her two attendants will reign over those Falconville activities for which no queen has been chosen and for which queens are appropriate.
